Dear Renton.

Thank you for your letter and the article written by Peter Lineham. I was not aware of the article. One cannot but feel the pain and confusion of the man and feel some compassion for him.

I assure you we are not unmindful of the issues involved and the importance of being Christlike in the way we deal with people.

If you find any other public information on the same issue please don't hesitate to send it to me.

Yours in Christ
